Step 2: Technology

Beebots

Junior and Senior Infants coded the Beebots to make them travel in different directions around the town! They did excellent work!

Gold Award

Step 2: Technology

Research

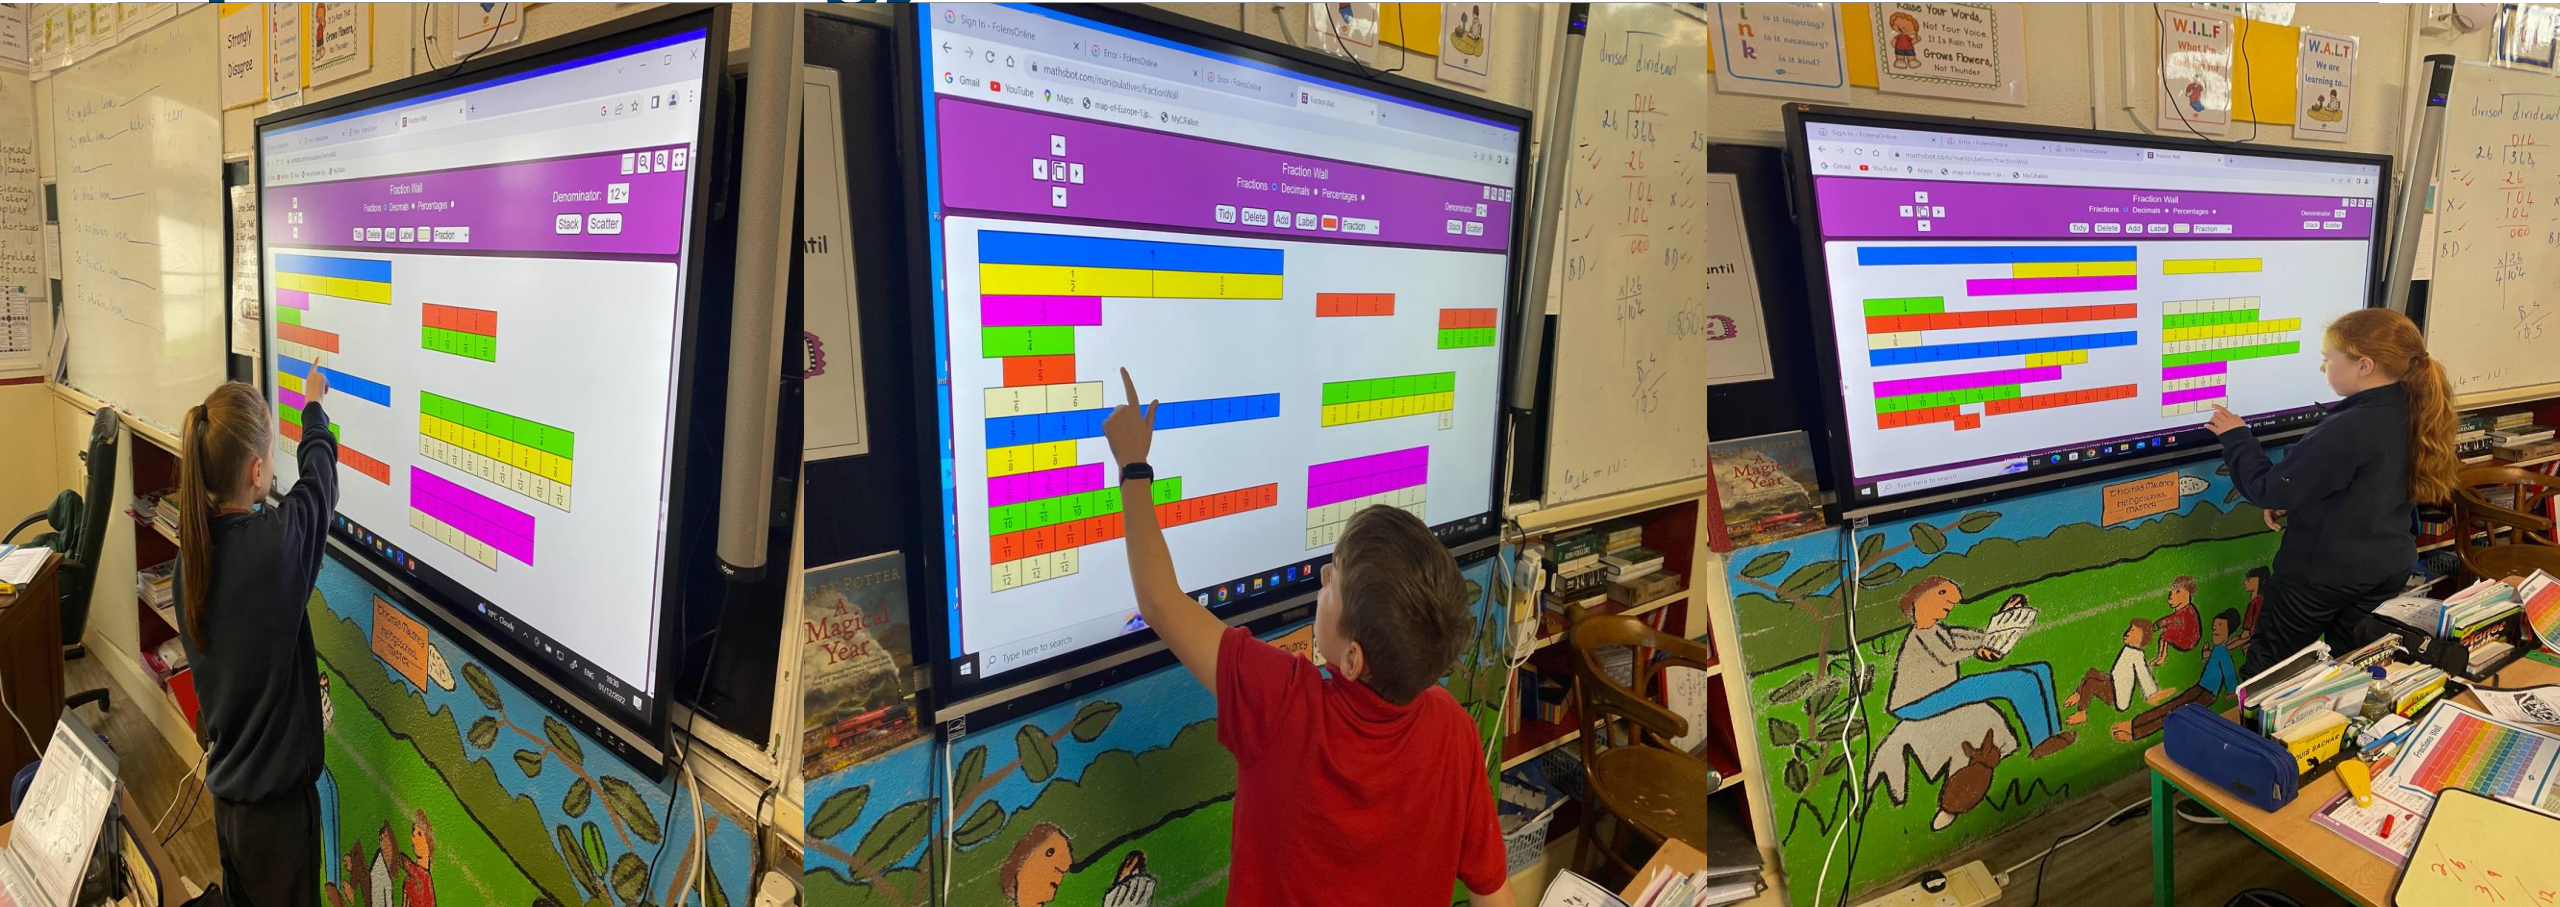

The pupils frequently use the laptops and the internet to research different topics. Here the pupils in the middle room can be seen researching different garden birds (integration with the Science curriculum)

Gold Award

Step 2: Technology

IWB

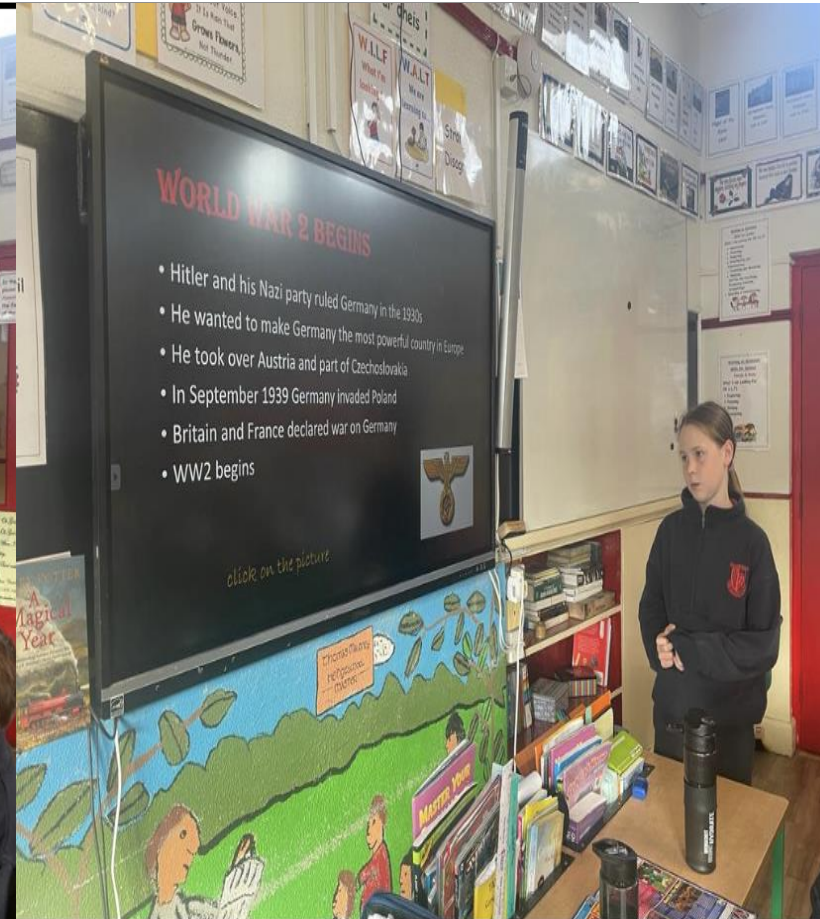

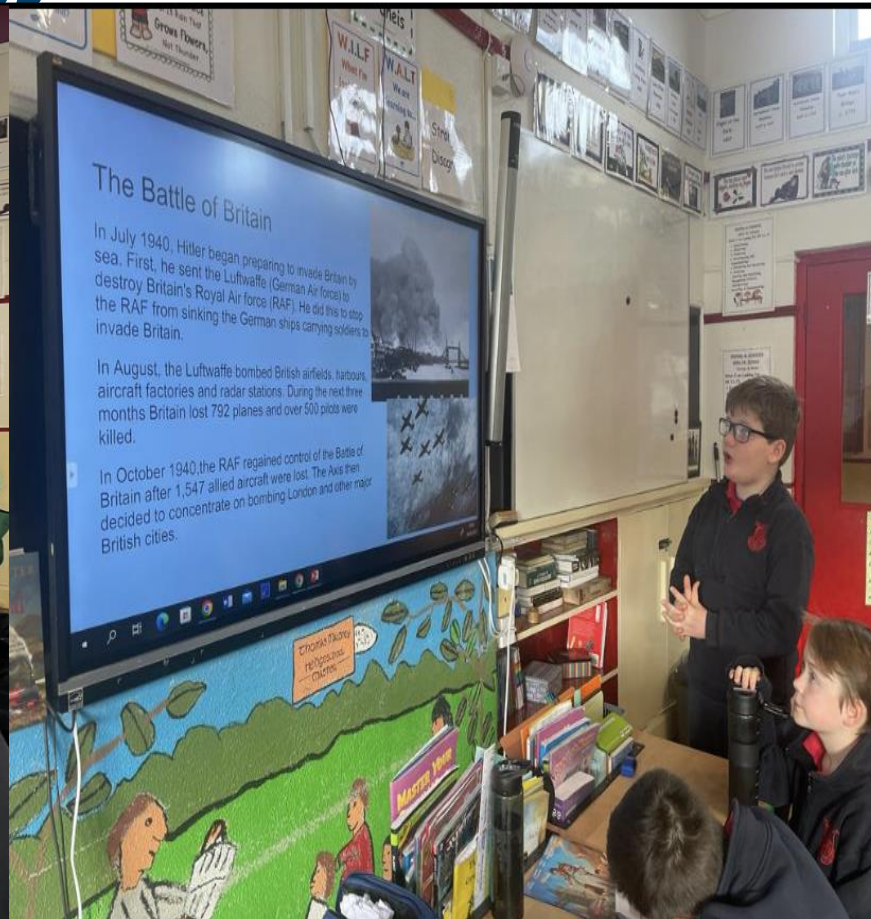

The pupils in the Senior Room make great use of the virtual manipulatives on www.mathsbot.com to develop their conceptual understanding of different Maths concepts. Here they can be seen exploring fraction equivalence.

Gold Award

Step 2: Technology

Projects

The pupils in the Senior Room use Technology to research, prepare and present project work. Here they can be seen presenting their projects on World War 2 as part of their participation in the 'Blue Stat Programme' on the European Union.

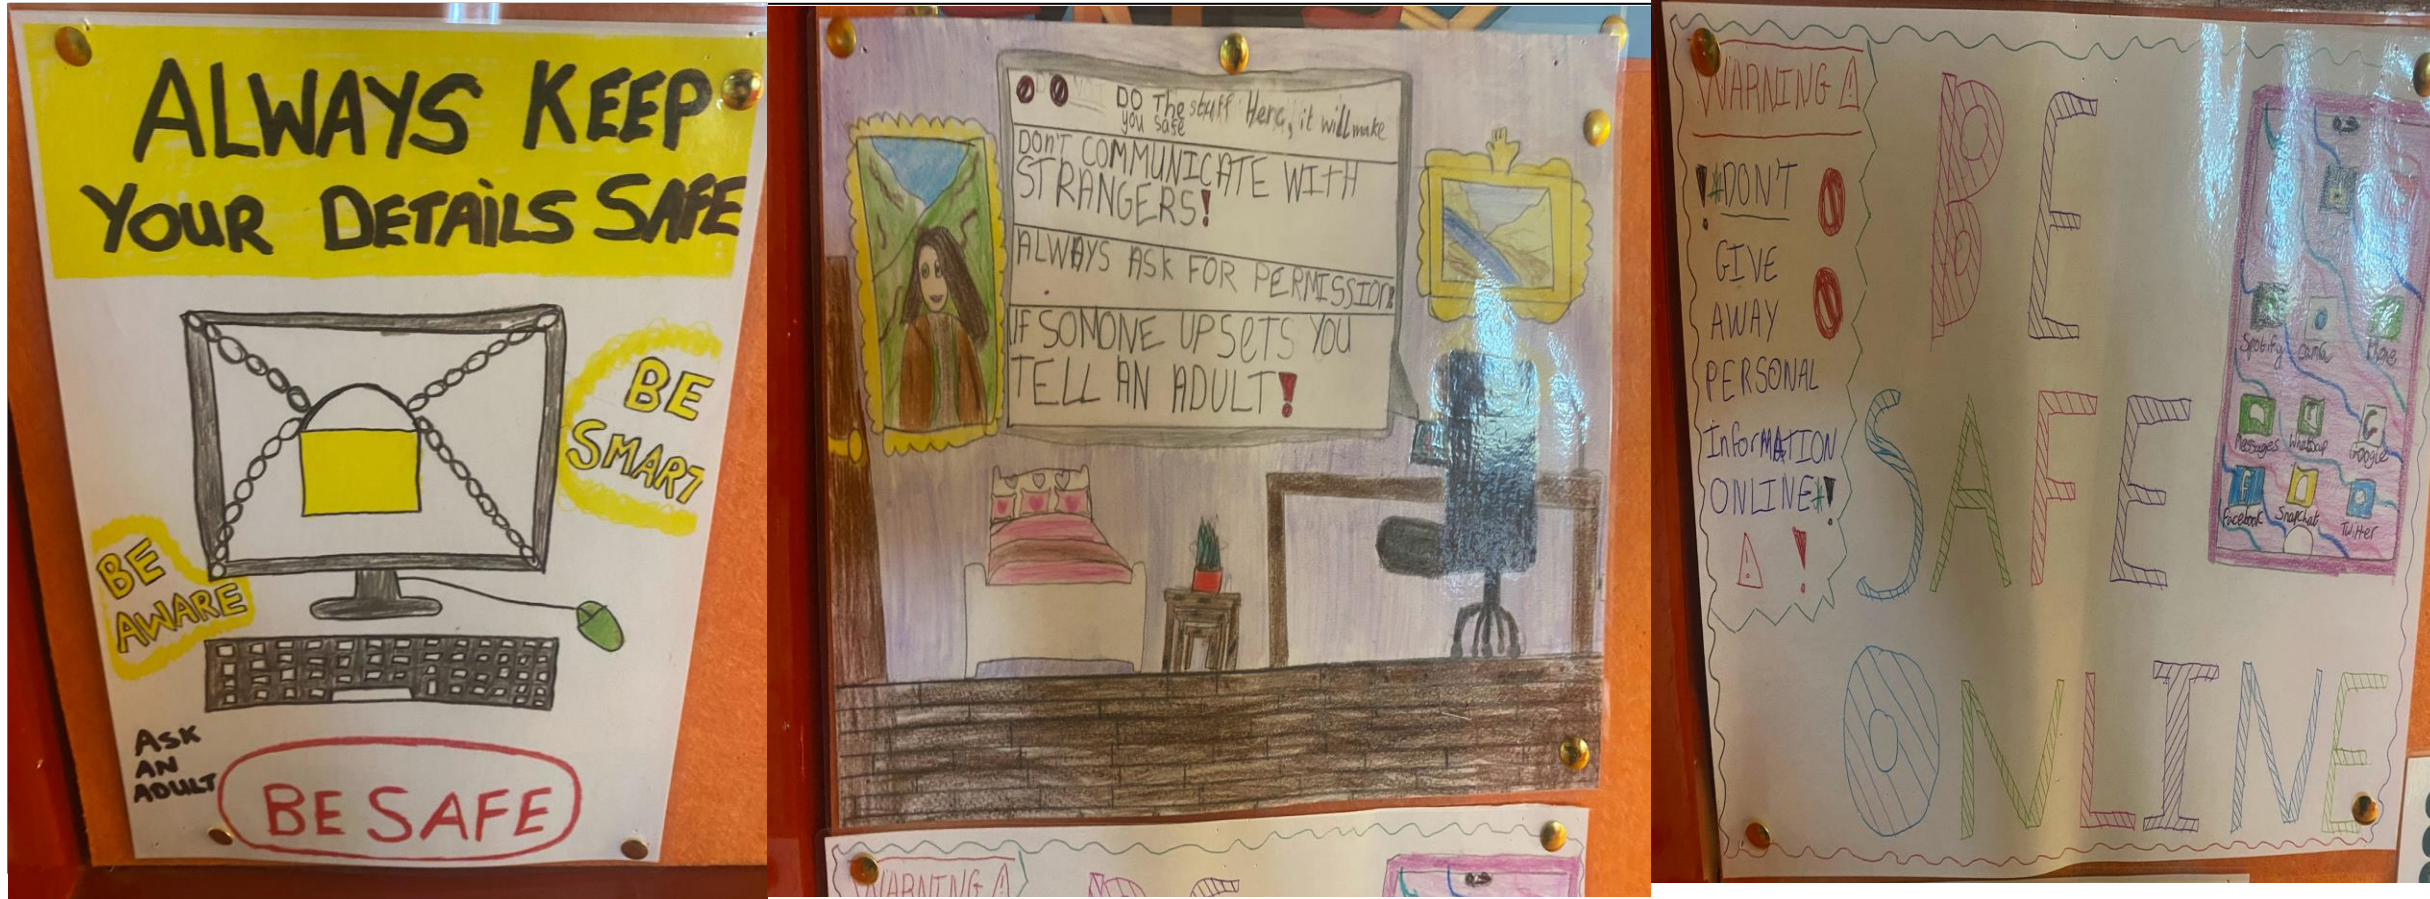

Gold Award

Safer Internet Day

Step 2: Technology

The whole school celebrated 'Safer Internet Day' on Tuesday, 8th February 2023. Our Student Council organised a poster competition and above you can see the winning entries from the Junior, Middle and Senior Rooms.
